

AAUW State College Branch

AAUW advances equity for women and girls through advocacy, education and research

Join a powerful personal and professional network

Work with people who value education and equity, and who believe in taking action.

Affect community change

Participate in local fundraising to assist human service organizations in the community.

Have a voice in government

AAUW's 100,000 member voice on critical women's and civil rights issues is conveyed through lobbying efforts.

For additional information about AAUW, visit www.aauw.org. AAUW has over 1,000 branches across the country, and 500 university partners. Learn more about our State College branch at www.aauwstatecollege.org

***We invite you to
join the AAUW
State College
Branch***

Our branch has a long history of community service, including:

- Grants to local non-profit organizations, with funds generated from the annual book sale
- Scholarships to Centre County adult women resuming their college education
- Timely and relevant programs, held regularly
- Co-Sponsor of Public Issues Forum
- Science and math programs for children and youth
- Mentoring program for minority women
