Toftrees Golf Resort & Conference Center

Keynote Speaker: Patricia Best

Reaching for the Stars: A Journey Well Worth Taking

Dr. Best's career as superintendent, assistant superintendent, counselor and teacher in the State College Area S.D. makes her a uniquely qualified guest speaker for this celebration. She has been a long-time member of the AAUW State College Branch as well as an active participant in several other community organizations.

The Grants and Scholarships Committee encourages you attend the banquet to meet and celebrate with our scholarship recipients. Be sure to read the biographies of these remarkable women students in the accompanying article. The work and strength of the AAUW-State College Branch Used Book Sale funds three of the four scholarships. The fourth is funded through the Evelyn Chostner Marboe AAUW-State College Branch Scholarship.

Dinner will be a buffet, including a vegetarian choice, and offers appetizers, salad and dessert. There will be a cash bar. **The cost is \$25. Your reservation is due by Thursday, May 6.**
